

## July 2024 Head & Deputy Teacher update

**Miss. Rothlisberger & Mr Mathews said...**

Well done to everyone for a fantastic year at Jigsaw. First of all we would like to say good luck to our leavers, the year 6's starting high school and our other students who have found their forever school. For everybody else, enjoy your summer holidays, relax and have fun with friends and family. We all look forward to seeing you in September.

## 'Just in' messages

RNLI Lifeguard service delivered a safety workshop and advised if you are ever in trouble down at the beach to always seek help from the Lifeguards! ring 999 and ask for the coastguard!

### News

This term in Class 1, we have watched our caterpillars grow and turn into butterflies - taking care of them and setting them free. In our Topic work, we have been finding out about different minibeasts and their habitats, as well as discovering what it is like in Kenya

Some of us have begun to read words and sentences, while others have been writing reports about their favourite creatures. Our knowledge of addition and subtraction has strengthened too as we have been exploring different methods of calculating.

### News

Another busy term in Class 2! As well as completing lots of work, we have had trips to Knowsley Safari park and to Tenpin in Southport! We say bye to some pupils but we know they will love their forever schools!

### News

Class 3 have worked hard on their times tables during Maths and created a book during their English work. They have looked into using an Atlas and identifying continents, countries and capital cities before focusing on Japan. We wish our leavers the best of luck in their new school
