

Jigsaw Connect

October 2024

Class 1

It has been All About Me this half term as we have talked about our families, our homes and our local communities. We are all now looking forward to Halloween too, especially after our trip to the Pumpkin Patch! We have completed a few story maps during Writing lessons and have performed them to the class - we have some good storytellers amongst us! What a brilliant half term.

Class 2

This term we did lots of speaking and listening activities, we enjoyed some gymnastics and got even more clever at our number skills! We also worked on punctuation such as . ! ?

We said goodbye to a pupil and wish them Good luck in their new school. We are excited to welcome other pupils into Class 2 next term.

Class 3

A busy start to the term in class 3. We've learnt about the circulatory system and how food choices affect the body. We have also been learning about Ancient Greece and the differences between the Ancient and Modern Olympic Games. We have also had a new member join us and we have all welcomed her. We're looking forward to a rest over half term!

Head and Deputy Update

Jigsaw have welcomed new pupils this term, it has been a joy to meet new parents and hope we can build on our relationship and support for families. We look forward to next half term and the countdown to Christmas. As a reminder Jigsaw is always here if anyone requires any support.

Connect with the Community

Where Kids can eat free/£1 during half term: There are many restaurants such as: ASDA, Beefeater, Dunelm, Hungry Horse, Morrison's, Pizza Hut, Tesco and many more!

Outside Jigsaw is a Knife Savers Bleeding Control pack, which is lifesaving equipment for the community to use in an emergency situation.
