LETTINGS POLICY

(See also Lettings Procedures for further information)

The Members recognise that the various facilities of Jigsaw could be used by groups from the local community. They are keen to allow the use of the facilities to the benefit of the local community, provided this usage does not conflict with the interests of Jigsaw. The principles upon which lettings will be conducted are: -

1. The group using the facility meets the conditions laid down by Jigsaw for Lettings.
2. Full responsibility for insurance is with the hirer who must evidence adequate insurance cover.
3. The activity of the group using the facility does not conflict with the aims and ethos of Jigsaw.
4. The income from the lettings must cover all costs of making the facility available and may include an element of profit for the use of Jigsaw.
5. The scheme allows Jigsaw with agreement from the Management Committee (or delegated Committee) to subsidise lettings for community and voluntary use.
6. If the activities of the group give cause for concern the lettings may be withdrawn immediately.
7. The use of facilities does not affect the normal operation of Jigsaw.
8. The decision of the Members or Committee on whether or not to hire a facility is final.
